NARCISSI OR DAFFODILS

Narcissi are probably the favorite flowers of the garden in early spring, and by proper selection of varieties the blooming season will reach from March until early May. DARWIN TULIPS

In modern times no tulips have aroused the admiration that has been accorded to the Darwins. Vigorous in growth, with larger flowers and longer stems than any others, and at the same time exhibiting the most clear, delicate and beautiful colors of the family. In the garden they show best planted in groups or clumps of ten or more of one variety, and they need not be disturbed for several years. They bloom from the middle to last of May long after most other Holland bulbs have passed. For house decoration, where soft colors and long stems are required, they are simply unrivalled.

TERMS OF BUSINESS

PRICES.

The prices quoted in this catalogue are for bulbs and plants of first quality only, true to name and in sound and healthy condition, properly packed and delivered to the Express or Freight office in Deerfield, free of all charges for packing or cartage. Express or freight charges for transportation, must however, be paid by the purchaser.

SHIPPING

The opinion is prevalent that plants and bulbs can be sent cheaply by Parcel Post, but such is not the case. The rates of the Express companies have lately been reduced, and it is not only quicker and safer to send packages through them but almost invariably cheaper also.

We shall, therefore, **ALWAYS SHIP BY EXPRESS** unless we have positive orders to the contrary, and we **guarantee the safe delivery** only on packages so shipped.

In those instances where our customers make special request that their goods be sent by Parcel Post we will do so provided sufficient postage is remitted.

Because we have every confidence in our stock as represented, and are perfectly willing to correct any mistakes made by us in the filling of orders, and to make good loss arising from any cause for which we justly may be held responsible, we have omitted the usual "Non-Warranty" clause from this catalogue.

At the same time we do not assume a liability beyond the price of the goods purchased, nor for failures which arise from conditions wholly beyond our control, such as subsequent improper treatment, unfavorable climatic conditions, etc.

Orders from unknown correspondents must be accompanied by cash or satisfactory references.

We prefer not to receive C. O. D. orders, but if such are sent they must be accompanied by cash to one-fourth of the value of the goods ordered, to insure acceptance.

A discount of 5 per cent on all orders amounting to $5 or more will be allowed if received before July 25th, if money accompanies the order; after July 25th, 2 per cent may be deducted.

Money should be sent only by safe methods, preferably postal or express money orders payable to **FRANKEN BROTHERS** at **Deerfield, Illinois,** or drafts on Chicago or New York.

SPECIAL NOTICE!

All persons to whom this catalogue is sent will also receive, in January next, our Price List of Summer-Flowering Bulbs and Hardy Perennials for Spring planting.

We have for years supplied our bulbs and plants to many of the large estates in the beautiful suburban towns on the lake north of Chicago. This fact alone is indicative of the quality of our stock.

TELEPHONE

We may be conveniently reached by telephone from Chicago and the towns along the "North Shore."

Our number is Deerfield 241.

We shall be glad to supply Holland-grown bulbs and plants not named in this catalogue, to be ordered prior to July 25, and will quote prices for the varieties desired upon application.

Appointments may be made with our Mr. Albert Franken who will furnish any information desired and carefully execute all orders and commissions.

6 or more of any one kind of bulbs or plants offered in this catalogue will be sold at the dozen rate and 25 or more at the 100 rate.
